

**Stéphane Maye to be proposed for election to the Board of Directors as an independent member**

Lucerne, 3 November 2021 – The Board of Directors of Mobimo Holding AG will propose to the Company's shareholders at the Annual General Meeting on April 12, 2022 that Stéphane Maye is elected to the Board of Directors as an independent member. Stéphane was born in 1967 in the French-speaking part of Switzerland, trained as a civil engineer at the Swiss Federal Institute of Technology (ETH) in Zurich and has been working for renowned construction and real estate companies in the German and French-speaking parts of Switzerland and in Germany for nearly 30 years.

He has a long track record in the planning and management of large-scale real estate projects, in corporate management, as well as in the areas of real estate digitalization and sustainable construction. At pom+ Consulting, a consulting firm specializing in real estate, Stéphane became Partner in 2009 and then Managing Partner in 2021. Besides his ETH diploma, the candidate for the Board of Directors holds an Executive MBA from the University of St. Gallen (HSG). He lives in the canton of Vaud.

Peter Schaub, Chairman of the Board of Directors: "We are very pleased to propose Stéphane Maye, an expert with a solid track record and strong network, to our shareholders." "As a French-speaking Swiss national who has studied and worked in German-speaking Switzerland for many years, he is an ideal ambassador for Mobimo, a company that is firmly rooted in both parts of the country."

(update 29 March 2022)

**About Mobimo:**

With a broadly diversified real estate portfolio that has a total value of approximately CHF 3.4 billion, Mobimo Holding AG is one of the leading real estate companies in Switzerland. Its portfolio comprises residential and commercial properties, along with development properties both for the company's own portfolio and for third parties. The properties are in first-class locations in German-speaking and French-speaking Switzerland. The buildings are characterised by balanced diversification and diligent management. Mobimo uses its development projects to strengthen its income base and boost the intrinsic value of its portfolio. The company also creates investment opportunities for third parties through its development services. Mobimo has around 170 employees. [www.mobimo.ch](http://www.mobimo.ch)
